

Fifteen Fifteen has chosen to partner with BoConcept to provide residents with a unique and modern look for their new homes. As an extension of the progressive Stanley Saitowitz architecture, BoConcept will assist future homeowners with the design of their interiors at Fifteen Fifteen. Elegant, contemporary living is the verbiage for Fifteen Fifteen's stately modern condos, while BoConcept's urban designs combine the simplicity and functionality of Copenhagen with the urban style found in New York and San Francisco.

# 3 BoConcept created three unique interiors at Fifteen Fifteen.

## COLOR POP

Warhol-brights complement sophisticated neutrals, creating a look with contemporary flavor and appeal.

## MODERN ELEGANCE

This theme speaks to a classic yet refined sensibility, with textural leathers and courtly accessories.

## WHITE MINIMALIST

This all-white design creates an environment of luminous minimalism. Relax amongst sunshine-filled windows and contrasting white and black accents.

BoConcept offers a private design service to accompany the purchase of new homes at Fifteen Fifteen. The design process is simple. First, you are invited to define your inspiration, ideas and needs with your BoConcept interior designer. Next, your designer will create interior renderings according to your individual floor plan. Finally, a professional team will deliver and assemble everything for you. Expect to move into your new home with the interior solution that suits your needs and desires.
